Aerosol air freshener with a long-lasting fragrance, formulated to neutralize unpleasant odours and release an intense, enduring scent into the room.

Black Cherry & Tonka Beans

An intriguing and enveloping perfume, where fruity sweetness intertwines with a warm, gourmand sensuality.

The opening is explosive and seductive, with the freshness of lemon bringing out the juicy nuances of cherry, enriched by a touch of bitter almond with a slightly liqueur-like character.

At the heart of the composition, a captivating floral accord unfolds, where the delicacy of cherry blossom blends with the elegance of rose and the softness of jasmine. The base notes reveal a warm, creamy trail, thanks to tonka beans, enhanced by the sweetness of benzoin and cedarwood.

The final impression evokes a enchanting and sensual sensation, enveloping the room in a warm cherry scent.

- **Essential oils:** Patchouli.
- **Patented anti-odour technology**, for effective neutralisation of unpleasant odours and a long-lasting scent.
