MALODOUR CONTROL TECHNOLOGY
LONG LASTING

Aerosol air freshener with a long-lasting fragrance, formulated to neutralize unpleasant odours and release an intense, enduring scent into the room.

Bergamot & Peach Blossom

A radiant and lively perfume, where citrus freshness intertwines with a luminous floral sweetness.

The opening is bright and sparkling, with a blend of fresh citrus notes of green mandarin, lemon and bergamot that awaken the senses.

At the heart of the composition, a sunny and harmonious accord unfolds, in which peach blossoms release a gentle floral sweetness, enveloped by the elegance of jasmine and the delicacy of orange blossom.

The base notes reveal a deep and aromatic trail, thanks to patchouli, enhanced by the presence of cedarwood and balsam fir.

The final impression evokes a freshand radiantsensation, enveloping the room in ascent of citrus and peach blossom.

- **Essential oils:** Bergamot, Cedarwood.
- **Patented odour-neutralising technology**, per un'efficace neutralizzazione dei cattivi odori e una profumazione duratura.
