AIR FREEDOM

AEROSOL AIR FRESHENER

- **Long lasting deodorising effect**
- **Fresh scent (Marine accord & Cedarwood)**
- **Highly concentrated with slowly released scent**

Aerosol air freshener with a long-lasting fragrance, formulated to neutralize unpleasant odours and release an intense, enduring scent into the room.

Marine accord & Cedarwood

A lively and revitalising perfume, where the purity of water blends with a sense of freedom and freshness.

The opening is sparkling and captivating, with notes of grapefruit intertwining with the spicy energy of ginger, enlivened by pure and revitalising marine accords.

The heart of the composition is aromatic and relaxing thanks to an infusion of mint enveloped by the aromatic nuances of lavender and the delicate elegance of jasmine.

The base notes reveal a pure and dynamic trail, where cedarwood, mineral woods and white musk emphasise vitality and the call of nature.

The final impression evokes a sense of freedom and freshness, enveloping the room in a pleasant fresh scent.

- **Essential oils**: Lavandin, Eucalyptus, Patchouli.
- **Patented anti-odour technology**, for effective neutralisation of unpleasant odours and a long-lasting scent.

HOW TO USE

Shake well before use. Spray in the room for a few seconds keeping the can vertical. The first time you use it, press the dispenser firmly to make sure it sprays correctly.
