DEODORISING DETERGENT

- **Long lasting deodorising effect**
- **Spicy scent (Saffron Flower & Oud)**
- **With cleaning action**

Detergent for all washable surfaces with long-lasting deodorising power, formulated to ensure high cleaning efficacy and an intense, enduring scent.

Saffron Flower & Oud

A harmonious and sophisticated perfume, where spicy refinement intertwines with a bold and mysterious character.

The opening is elegant and dynamic, with citrus notes blending with the precious spicy notes of saffron flowers and the crisp sweetness of red apple.

At the heart of the composition, a balanced and velvety accord unfolds, where the aromatic character of geranium blends with the intensity of rose, whilst tonka beans add softness and warmth.

The base notes reveal a deep and bold trail of oud, reinforced by the lingering presence of patchouli and warm hints of leather.

The final impression evokes a sense of harmony and well-being, enveloping the room in a spicy, woody scent.

- **Essential oils**: Geranium, Patchouli.
- **Patented anti-odour technology**, for effective neutralisation of unpleasant odours and a long-lasting scent.
